To Whom It May Concern:

Re: Hilti HVU Adhesive Capsules – LEED Info.

The Hilti HVU Adhesive Capsules are manufactured in Germany.

The amount of post-consumer and post-industrial material in the Hilti HVU Adhesive Capsules is not known and they cannot be recycled. The Hilti HVU Adhesive Capsules do not contain any Rapidly Renewable Materials. The VOC content in Hilti HVU Adhesive Capsules is 39.0 g/l.

Hilti HVU Adhesive Capsules are not regulated as a hazardous waste by the Federal EPA Standards. The regulations for the disposal of non-regulated industrial waste can vary from state to state and even city to city. For this reason, you should consult your local and state regulatory agencies for direction on disposal.

Please feel free to contact me at (918) 872-3704 if you have questions.

Sincerely,

A handwritten signature in black ink, reading "Jerry Metcalf". The signature is written in a cursive style.
